Reminders

- 40 hours are due by the end of the year- it is recommended that you get 10 each quarter but not required
- Hours are submitted each quarter- if you missed the Q1 deadline, you can submit them at the end of Q2- a file with everyone's total hours will be posted each quarter
- NHS apparel must be worn to every event

Reoccurring Events

- If you are looking for hour opportunities, try checking the signups for reoccurring events
- These are events that have reoccurring signups such as once a week or once a month
- Some examples include Homework Help, Food Packing, and Ecology Club Paper Recycling Disposal
- These events can be found in the #reoccurringevents label on BAND

Outside Hour Requests

- Outside hour requests must be submitted 5 days before the event
- When filling them out, be specific: Include what the event is, who is running the event, who or what it benefits, and what you will be doing at it. Doing all this will avoid follow up emails/questions.
- There is no limit on approved outside hours, but still no more than 10 hours can come from one event

Picking Up/ Dropping Events

- When signing up for an event, make sure you are available first; there will be plenty of hour opportunities
- You are expected to show up to every event you sign up for. Not showing up will result in a deduction of the amount of hours of the event and probation.
- Make sure you do not have a scheduling conflict before signing up for an event. Posting on BAND for a replacement should be a last resort.

- Remind is used to communicate important due dates, meeting dates, and any other information that may come up
- Senior Remind: Text @fcke24 to 81010
