Hour Requirements

Every member is required to get 40 service hours; it is your own responsibility to keep track of your hours

No more than 10 hours can be counted from one event

There is no limit on the number of outside hours you can do, as long as they are approved

There is also no limit on hours from tutoring, but it must be done through NHS

BAND

All hour opportunity/event signups will be posted on BAND, along with important reminders.

If you sign up for an event that you are not able to attend, you must find someone to take your spot. This is done by making a post on BAND.

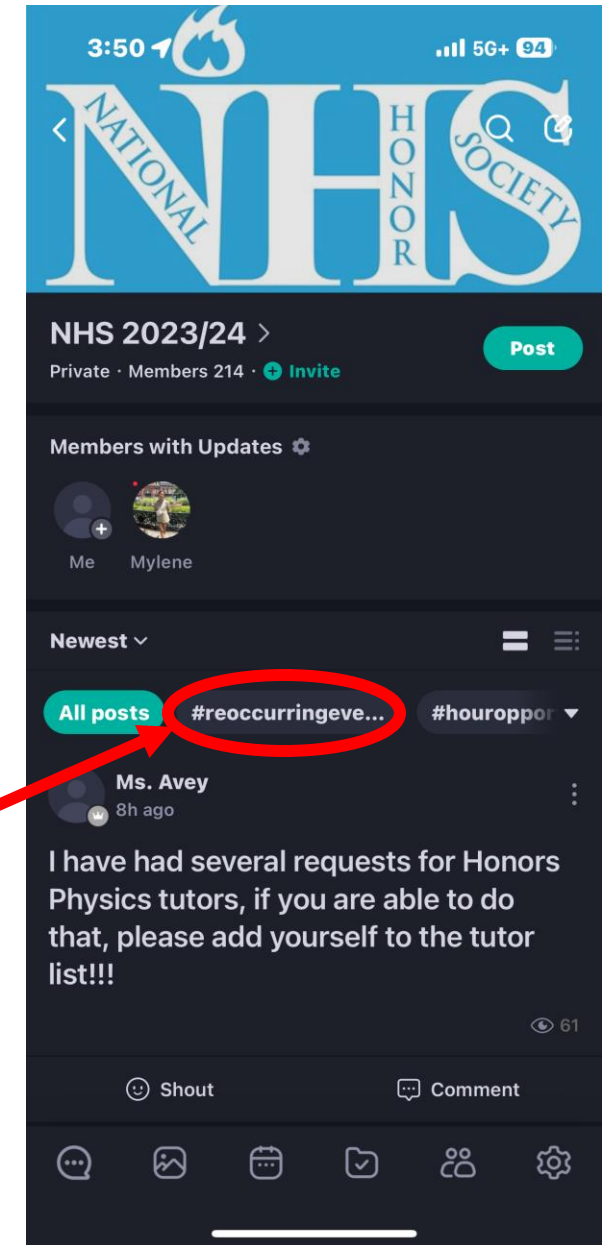

If you no show an event you sign up for, you will be docked the amount of hours of the event and put on probation
